PAINTED KITCHEN CABINETS

Give your kitchen a fresh new look!

REFINISH OR PAINT YOUR KITCHEN CABINETS

Update your old cabinets with a fresh new look that adds beauty and value!

- You choose the colour and the finish, we do the rest
- We will remove your doors and drawer fronts and all the hardware and take them to our shop
- The exterior of your cabinets will be painted at your home
- All surfaces are sanded and clean and high adhesion bonding primer is applied
- The cabinet doors and drawers are sprayed in our shop with a top quality durable paint for many years for service
- The exterior frames are rolled with a fine microfiber roller for a smooth sprayed like finish
- The finished cabinets doors and drawers will be returned and re-installed in 7 days
- You provide us with new hardware and we will install it for you
- We provide you with a 2 year warranty so you know the finish will last for many years
